Are you referring to the Family Planning program? If so, you can either opt to enter claims directly into TexMedConnect through the TMHP portal, or you can use a third party biller. Please make sure your third party biller is compatible with the TMHP system before claims are entered.

**Subject:** Question

Good Morning,

Ms Tenison wanted me to ask if we need to submit claims though TMHP or do we continue to use NueMD as our billing system?
